Statement of Accounting Policies and Notes to the Accounts

For The Year Ended 31 March 2024

The following general accounting policies have been adopted in the preparation of these financial statements.

REPORTING ENTITY

The financial statements presented here are for the entity Whangamata Ocean Sports Club Incorporated, a registered Society un the Incorporated Societies Act 1908.

BASIS OF PREPARATION

The financial statements have been prepared on a gong concern basis, and the accounting policies have consistently applied throughout the period.

STATEMENT OF COMPLIANCE

The financial statements have been prepared in accordance with the Special Purpose Financial Reporting Framework (SPFR) for use by NOT for Profit Entities and as such the accounts are special purpose to report to members.

BASIS OF MEASUREMENT

The accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position on a historical basis have been used.

SPECIFIC ACCOUNTING POLICIES

- Turnover shown in the Profit & Loss Account comprises the amounts received and receivable by the entity for goods supplied to customers in the ordinary course of business. Total revenue was \$3,402,572 (2023 \$2,443,990)
- 2. Inventories have been valued at the lower costs on a first in first out basis or net realisable value after due allowance for damaged and obsolete stock.
- 3. Debtors are recorded at estimated realisable value.
- 4. Depreciation has been charged in the financial accounts using the straight-line method at the maximum rates allowed by the IRD. Depreciation methods, useful lives and residual values are reassessed at each reporting date. The estimated useful lives are as follows:

Buildings 50 years
Plant & Equipment 3 to 15 years
Furniture & Fittings 3 to 20 years
Motor Vehicles 5 years

- Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses. Cost includes expenditure directly attributable to the acquisition of the asset.
- 6. These accounts have been recorded on a GST exclusive basis.
- 7. Related party transactions are always carried out at arm's length on favourable terms of trade.
- 8. A perfected security interest in all present and acquired property is security for the BNZ term loan.
- 9. Income Recognition

Income and expenditure are recognised as an accrual basis as earned or incurred except interest paid/received which is recognised on a cash basis.

10. These policies remain unchanged from the previous year.

INDEPENDENT AUDITOR'S REPORT

To the Members of Whangamata Ocean Sports Club Inc.

Qualified Opinion

Opinion

We have audited the financial statements of Whangamata Ocean Sports Club Inc. on pages 1 to 9, which comprise the Statement of Financial Position as at 31 March 2024, and the Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and Notes to the Financial Statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present the financial position and equity of Whangamata Ocean Sports Club Inc. as at 31 March 2024, and its financial performance and cash flows for the year then ended, in accordance with your accounting policies as provided (the "reporting criteria").

Basis for Qualified Opinion

I am unable to determine whether the Trust or the Club owns the kids fishing bank account as I have not sighted documentation regarding the transfer. if the club "owns" the account, it should be recognised as extraordinary income at the bottom of the Statement of Performance. If the Trust owns the account, then it should not be in the club annual Performance Report.

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of client.name in accordance with Professional and Ethical Standard 1 'International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, Whangamata Ocean Sports Club Inc..

Committee' Responsibility for the Financial Statements

The Committee are responsible on behalf of the entity for determining that the reporting criteria adopted are acceptable in Whangamata Ocean Sports Club Inc.'s circumstances, the preparation of financial statements, and for such internal control as the Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Committee are responsible on behalf of the entity for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (NZ), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
 or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the Committee and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matter

Basis of Accounting and Restriction of Distribution.

I draw attention to the Statement of Compliance note on page 8 which describes the basis of preparation. The Annual Report is prepared to assist the Committee and to report to the members of Whangamata Ocean Sports Club Incorporated. As a result, the Financial Accounts might not be suitable for another purpose. My report is intended solely for Whangamata Ocean Sports Club Incorporated and its members and should not be distributed to parties other than the club or its members. My opinion is not modified in respect of this matter.
